

Term Loan to Insurance Agencies

- \$50,000-\$5,000,000
- Approval and fund delivery in 7 days!
- Competitive terms tailored to your needs
- Term loan, not a merchant cash advance
- Funding for startup expenses, acquisitions, buyouts, perpetuation, or working capital.

Your terms are customized to your agency's business needs. Your rates are determined by the value of your agency as well as your business and personal credit profiles. Repay your loan monthly up to 8 years.

Your agency grows and changes, so do your financial needs. We support agency growth and development through all stages and phases. Our flexible funding options can help you with cash flow as you get established, fund infrastructure as your firm expands or changes, and facilitate a smooth transition during succession planning. We have the experience and knowledge to support you with your insurance agency loans for:

**Mergers
and
Acquisitions**

Marketing

**Recruitment
and
Training**

New Technology

Bridge Loans
